PDF Scientist
Department of Laboratory
Medicine, University of California,
San Francisco, USA

About the Motherhood University, Roorkee

Motherhood University, Roorkee has been established under Uttarakhand Govt. Act 5, 2015 in the district of Haridwar. The University campus is located in the vicinity of Holy Ganga River at Roorkee. The University campus can be easily approached by road and railway network as it is situated on Roorkee Dehradun Highway. The University is promoted by **"Motherhood Institute of Management & Technology Society"**.

The Society was established on December 23, 2004 with the objective to provide Education, Research and Training to aspiring youth of Uttarakhand and the country in order to increase their employability. The other objectives of the Society are to establish orphanage, clinics, old age homes and charitable hospitals etc.

The society was founded by a famous Social worker, Shri K.D. Sharma. He believes that though Uttarakhand has been a separate State now, it still requires enhancement in the field of education. With this objective, Shri K.D. Sharma has founded this society to start various vocational and technical program for those children who are still deprived of quality Education.

The Motherhood University, Roorkee offers various courses from the academic session 2015-16 under different faculty. To learn more about the Motherhood University, join us **ICONMHU-2023**

About the Conference

Motherhood University, FoPS, is holding a International conference that represent the conference of International interest. The theme of conference will be on **"New Horizons in Pharmaceutical, Biomedical and Bio-Sciences"**. The conference will have the issue expert. They will share their knowledge and expertise to the participant. Participating in this conference represent a valuable activity. This will also help the participant to sharpen their skill and refer their ideas as well as approaches. Participant can have the golden opportunity to form a network of different personalities and learn valuable and latest knowledge regarding the issue. The main aim of conference is providing a scenario for professionals in the field of New Horizons in Pharmaceutical, Biomedical and Bio-Sciences.

Paper Format: Font Size: heading 14(Bold), sub heading 12(bold), 12 for rest of the text in times new roman. references as per MLA style. Spacing: 1.5 spacing through the paper, margins "1" on all sides, only 20 percent plagrism is accepted.
